- ✓ All crew members shall meet department dress and grooming standards

TOOLS AND EQUIPMENT USED

Vehicles, radio, computer, calculator, telephone, department apparatus, fire suppression tools and equipment, chainsaws, and related tools

PHYSICAL DEMANDS & WORK ENVIRONMENT

The physical demands and work environment described here are representative of those that are encountered or must be met by any employee to successfully perform the essential

functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is frequently required to stand, sit, walk, talk, hear, and smell or taste; use hands and fingers to handle and operate objects, tools and controls. The employee is frequently required to reach with hands and arms, climb, balance, stoop, kneel, crouch, crawl and lift and/or move up to 175 pounds. Specific vision abilities required by this job include close, distance, color and peripheral vision, depth perception, and the ability to adjust focus.

Work is performed primarily in outdoor settings; in all weather conditions, including temperature extremes; during daylight hours. Work is often performed in physically demanding situations. The employee is exposed to hazards associated with fire, chainsaws and falling trees, including smoke, airborne particles, noxious odors, fumes, chemicals, liquid chemicals, solvents and oils. The employee frequently works near moving mechanical parts.

The noise level in the work environment is usually moderate during brush clearing work, and loud during the use of chainsaws.

The duties listed above are intended only as illustrations of the various types of work performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

This job description does not constitute an employment agreement between the employer and the employee and is subject to change by the employer as the needs of the employer and the requirements of the job change.

All department employees work in a drug- and tobacco-free environment.
